## Why George Garner's?

Our service staff is experienced, well-trained, and certified to work on ALL makes of bicycles, not just the ones we sell. Some of our mechanics have over 30 years' experience working on bicycles. All of them are exceptional at what they do.

This, combined with well over 60 years of experience in the bicycle industry should make your decision an easy one. Whether it's a minor adjustment, or a major overhaul, you can count us to do the job right the first time, every time.

## Estimates are always free

When you bring your bicycle into George Garner Cyclery for service, we always start with a free, no obligation estimate of the work necessary to get your bicycle back in tip top shape. You will be provided with an accurate estimate for your approval, always respecting your choices and budget.

## Walk-ins are Welcome

Getting ready to ride, and discovered a flat tire? Hit a pothole, and your rim is out of true? Sometimes, you can't plan when your bike needs attention. We understand. Bring it in. If we can fix it on the spot, we will. If we need more time, we'll let you know.

***We appreciate our customers. Without you, we wouldn't be here. Thank YOU!***
